CARLIN POOL

Teardown Technician | Quality & Failure Analysis | Electro-Mechanical Assembly

Richmond, TX 77406 | 409-877-6718 | mylifeloading2013@gmail.com

PROFESSIONAL SUMMARY

Detail-oriented electro-mechanical assembly and test technician with hands-on experience assembling, testing and inspecting electrical components for industrial, data center, refinery and mining applications. Follows written procedures, documents findings accurately, flags nonconforming parts and works safely in fast-paced manufacturing. Holds an electrician apprentice license, OSHA 10 and a TWIC card.

LICENSES & CERTIFICATIONS

Electrician Apprentice License ● OSHA 10 ● TWIC Card ● Forklift License ● Basic Plus

EXPERIENCE

Electrical Assembly Technician **2026**

Crawford | Pearland, TX

- Assembled HVT electrical plug kits and installed electrical components used in data centers, oil refineries and mining operations
- Tested and inspected assembled kits against quality and operational requirements, identifying parts that did not meet standard
- Followed electrical assembly procedures, work instructions and safety standards

EV Charging Station Installer **2025 – 2026**

InCharge | Orange, TX

- Installed EV charging stations, including mounting, conduit, wire pulling and terminations
- Tested and commissioned chargers and followed NEC code and safety procedures

Electrician Apprentice – Remodeling **2026**

Best Buy | Webster, TX

- Assisted journeyman electricians with wiring, fixtures, circuits and troubleshooting during store remodels
- Pulled wire, installed outlets and lighting, and followed NEC code and site safety rules

Solar Panel Assembly **2025**

Aerotek | Pasadena, TX

- Assembled and inspected solar panel components on a production line to specification and cycle time
- Used hand and power tools to fasten hardware accurately and consistently

Assembly Technician **2024**

Home Run Dugout – Baseball Simulators | Katy, TX

- Assembled simulator frames, netting and electrical components from drawings and instructions
- Quality-checked finished units and kept the work area organized and safe
